Hansel and Gretel is a fairy tale of German origin
recorded by the Brothers Grimm and published in 1812.

Hansel and Gretel are a young boy and sister
tricked by a witch who lures them to her
house by a house constructed of bread and candy.

The two children save their lives by outwitting her.

This is the story that started it all. It begins when a little Kansas farm girl, Dorothy Gale, and her dog Toto are blown away in a tornado and land in a fairytale named Oz. Here she meets a very unusual cast of characters - the Scarecrow, Tin Woodman, and Cowardly Lion, and together they go on a quest to see the Wizard of Oz, each of them seeking what they want most in life. Making their way along the Yellow Brick Road through a series of hair-raising encounters, they arrive at the Emerald City only to be told by the Wizard that they first must kill the Wicked Witch of the West before he will grant their wishes. They eventually overcome many dangerous challenges and dispose of the witch (although quite by accident), and return only to find that the Wizard is really just a hawking. He craftily addresses everyone's wish but Dorothy's, which is to return home to Kansas. So once more Dorothy and her friends set out, this time to find the Good Witch of the South. These last adventures end happily with Dorothy and Toto returning home, thanks to something she had all along.
